**If you would support an alternative to the preferred option, please provide further details and evidence to support this.**

**(Please note:** Your representation should cover succinctly all the information, evidence and supporting information necessary to support / justify the representation and the suggested change. It is important that your representation relates to the consultation document).

AEG strongly supports the introduction of this new policy, with clear guidance to developers on the requirement to deliver a measurable gain in biodiversity. There is no definition in the policy of the threshold for determining what is a major development and what is a minor development. We consider that this should be specified and varied depending on the scale of the existing settlement.

*Please continue your comments on the next page.*
