PART B – YOUR REPRESENTATION - Please use a separate sheet for each representation.

(Additional Part B forms can be downloaded from the web page)

1. Please state which document you wish to comment on:-

Core Strategy PR Preferred Options

Sustainability Appraisal

Habitats Regulations Assessment

Equality Impact Assessment

Health Impact Assessment

Evidence Base

(please state which document below)

2. Please state which part of the document your comments relates to:-

Policy

Page Number

Paragraph

3. Do you wish to:-

Support

Object

Comment

4. Please provide your comments and/or any suggested changes in the box below.

If you would support an alternative to the preferred option, please provide further details and evidence to support this.

(Please note: Your representation should cover succinctly all the information, evidence and supporting information necessary to support / justify the representation and the suggested change. It is important that your representation relates to the consultation document).

AEG strongly welcomes and supports the strengthened policy and approach to managing flood risk, the support for flood measures in the beck corridors which also increase biodiversity and natural flood management approaches.

As well as requiring new development to incorporate SuDS, our work in the Addingham 4Becks Project suggests that retrofitting SuDS in existing built up areas is equally important and should be encouraged and supported by the policy.

Please continue your comments on the next page.
