Parish Council News

We've had a very hot and busy summer, and the village public gardens have never looked so good. A huge thank you goes to the **Garden Friends**, who have once again done a fabulous job. Some years ago, they made the transition from annual planting to perennials and small shrubs, showing real foresight in choosing plants that need little maintenance and can survive without regular watering. Their planning and patience has truly paid off and it's this same spirit that we will need as we take on new challenges.

Neighbourhood Plan Review

Our Neighbourhood Plan is a vital tool in helping us manage future development in the parish. The Parish Council has decided to review the Plan to make sure it remains relevant and if needed, to update it in line with Bradford's Core Strategy. This review will be an important opportunity for the whole community to have a say in shaping the future of our village. Keep an eye out for details on how you can get involved, we'd love to hear your views.

Summer Events

This year's **Addingham Gala** benefitted from excellent weather and the Parish Council was pleased to work with volunteers to coordinate the road closure, helping to keep costs down. A big thank you goes to all the volunteers and to the Gala Committee for putting on another successful event. Congratulations are also in order for the participants and organisers of this year's **AAGA Open Gardens**, part of BD25 City of Culture, which raised over £9,000 for Manorlands. An incredible achievement. Well done to everyone involved!

Village Improvements

We continue to invest in village facilities:

- **Benches** will be gradually replaced across the parish as funds allow.
- **The lighting on the MUGA** has been upgraded. The lights will now be available free of charge during certain hours and can also be booked through the Clerk.
- **New heating** has been installed in the Scout Hall at the Pavilion, making it a more comfortable venue for local groups.
- **A beautiful iron gate** has been added at the entrance to the pétanque court and path to the play area.

Community & Events

We were delighted to be invited as guests of the Lord Mayor of Bradford and the Mayor of Ilkley to celebrate Yorkshire Day this summer. Looking

ahead, the Parish Council will again assist with road closures for **Remembrance Sunday 9th November** and our **Christmas Light Switch On, Saturday 29th November at 5pm**.

We hope to see you there to mark the start of the festive season together!

The Parish Council would like to thank all residents and volunteers who continue to give their time and energy to support village life. Your involvement makes all the difference.

Simon Tennant, Chair of Addingham Parish Council

Civic Society News

Gill Battarbee here, Chair of Addingham Civic Society (ACS).

As many of you will know the Civic Society has four key themes, **Planning, Heritage, Environment and Community**. In this edition we are focussing on **Planning**. With the national focus on housebuilding there are going to be plenty of significant issues to keep our Planning group busy.

Here is a summary of the current situation and for those who are interested in the background and timelines check out the Planning pages of the Civic Society website.

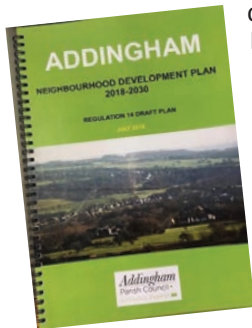

Addingham's housing allocation is currently a minimum of 180 houses over the next 15 years, but with the various pressures on housing numbers this is likely to be increased in the next Bradford Local Plan.

The Local Plan identifies the housing allocations for the area. However the Bradford Local Plan, like many other authorities, has suffered numerous delays due to the change of government, new legislation etc. and its adoption is **not now projected until 2028!**

This means that in the interim, developers can submit speculative housing applications which Bradford will have to approve unless it has some very convincing overriding reason to reject them.

The Introduction of the Grey Belt Our situation is compounded by the introduction of "Grey Belt" land. This refers to Green Belt land that was previously developed or does not strongly support some of the key purposes of Green Belt designation. If plots of land are redesignated from Green to Grey they can be allocated for housing. For example, a recent planning application for 9 houses off Turner Lane was approved by Bradford Planning Department. The success of this application was based on this relatively new legislation, permitting a green belt site to be redesignated as grey and therefore acceptable for housing development. Since then an outline planning application has been lodged for 27 houses at the top of Moor Lane on what is currently Green Belt land. This application is justified by the claim that it should be reclassified as Grey Belt. In addition, Bradford is vulnerable to applications on current Green Belt land because of its lack of a 5 year planned housing bank. Until the Local Plan (2028!) is in place individual applications like these are likely to continue.

Addingham Neighbourhood Plan is an important document for the village and must be applied in planning decisions. It will continue to be relevant until it is superseded by a new Neighbourhood Plan or the new Local Plan. A copy of the Neighbourhood Plan can be found in The Hub and on The Parish Council Website. Our Planning group will also be supporting the upcoming Parish Council Neighbourhood Plan Review.

Planning applications for Addingham are lodged with Bradford Council. Local Councils, neighbours and residents are then informed about the applications via, letters, public notices and the press. Details about applications can be found on the Bradford Council Planning Portal website where comments can also be lodged.

**Please be engaged and share your views.
They are vital!**

Addingham Good Neighbours

The main driver for Addingham Good Neighbours is well-being and Pilates for Seniors is one of our core activities. Held every Wednesday morning at Memorial Hall it has become so popular there are now 2 sessions at 9.45am and 10.45am. And for social wellbeing for everyone there's a catch up in our café afterwards!

We have fun improving our fitness and balance with exercise and stretches,

standing or sitting – no floor work! Balls and stretchy bands are available and some good music is included too.

Everyone is welcome, whatever your age or mobility. And the Ilkley Community Bus will collect older residents who no longer drive.

PS. If you want to exercise your brain too don't forget free IT Support sessions on some Thursdays. And to improve your dexterity try the Senior Craft group every Mon am at the Scout Pavilion.

Any questions get in touch! See Diary Pages and Contacts for more information.

Reset Counselling

If you are struggling with unresolved grief, either from a recent or historical bereavement then you may find a support group helpful.

I am a palliative care Nurse and Grief Counsellor and I live in the village. We meet as a group, in The Hub, from

7-9pm on the 1st and 3rd Monday of every month, throughout the year.

I offer a safe space in which to share your grief, with the opportunity to listen and talk through your emotions. We are a lovely, welcoming group who came together as strangers but now regard each other as friends. For further information please feel free to give me a call Jo Onions 07927 769400 Reset-Counselling.co.uk

Beamsley Stretcher Race Charity Fundraiser

In a remarkable twist of fate Addingham neighbours Rowan Sutcliffe and Ryan Womersley have discovered they share more than just living three doors apart – they’ve both been diagnosed with incredibly rare forms of the same cancer, sarcoma.

Rowan, 20, who’s studying building surveying, was diagnosed in 2023 with primary cardiac angiosarcoma, an incredibly rare condition (only c. 164 cases of angiosarcoma annually!) meaning an aggressive tumour in the right atrium of his heart. Treatment meant chemo, then radio therapy, then successful open-heart surgery.

Ryan, an ex Royal Marine, who now runs his own education company for international students, was diagnosed with perineal epithelioid sarcoma, an aggressive soft tissue cancer, in March 2025. There are just 19 cases of epithelioid sarcoma every year in England!

Diagnosed after an MRI scan for a lump, which wasn’t painful and left medics baffled, Ryan, 32, had pelvic surgery in April and then radiotherapy, to remove and treat a 5cm tumour. Ryan says: “Sarcoma is not common and can be overlooked. Rowan’s mother, Emma, suggested that when I was fit and well that we should do

an event to fundraise for Sarcoma UK so hopefully on October 25th we can raise funds to help raise awareness and boost research to help others who are affected by sarcoma.”

Ryan is recruiting Royal Marine ex-colleagues to be stretcher bearers for the two-team race up and down our very own 1,300ft Beamsley Beacon! Villagers will take turns to lie on the stretchers during the 10km event raising funds for charity Sarcoma UK. Ryan is taking part though Rowan, who now wears a pacemaker, is not.

A director of Sarcoma UK comments: What makes this event even more special is that it’s born from two young men’s determination to turn their shared experience with incredibly rare cancers into hope for others.

Please come and cheer them on: Saturday October 25th, 10.45am start at The Fleece Addingham.

Addingham Social Club

We've had a busy year so far both in the clubhouse and out! And we want especially to mention our Summer Charity Cricket matches. Well done to everyone involved, both home and away.

AVSC vs Ilkley Bowling Club.
Unfortunately it wasn't to be for us with IBC taking home the

trophy - again! Special thanks to all those who organised it, the sponsors and to Addingham Cricket Club for running the bar and BBQ. We raised an amazing £1,665 for the Yorkshire Air Ambulance, bringing our recent total charity fund raising to over £4,400!

New club members are welcome.
Just come in and enquire at the bar!
Our annual Christmas party night is December 19th from 7.30pm. All are welcome.

Addingham Dementia Cafe

A warm welcome awaits at our brand new Dementia Coffee Morning, held at Addingham Cricket Club on the 2nd and 4th Thursday of every month.

The 90 min sessions offer a safe, relaxed space for people living with dementia, their families and carers to come together over tea, coffee and cake. We meet at 11am for friendly conversation, activities and the chance to connect with others who understand the journey. Whether you're looking for support, companionship or simply a pleasant morning out, our coffee mornings are open to all. **Call Lucy for details 07309 730241**

Come along, share a smile and be part of a welcoming community.

Mondays are now the new Wednesdays

We are the Addingham Friendship Group, formerly Addingham Ladies Group but more commonly we were known as The Wednesday Club! This friendly get together has been running in our village for well over 60 years and we warmly welcome new members and visitors at any of our meetings.

Our speakers are many and varied and this year include: Prickly Hog Hedgehog Rescue, thoughts from a local author, a retired Policeman on his experiences on the beat and local baker, Mike Armstrong. We get to have really interesting interactions with our speakers and of course, refreshments during and after the talk!

See What's On for our meeting dates – and most importantly, do note the reason for our name change – we now meet on Monday afternoons! St Peters Church Hall 2:30pm.

Addingham Garden Friends

Passing up and down Main Street you may have noticed earlier this year considerable activity at the Cottages Garden – opposite Becks Close and the Council Car Park.

This garden is the site of four houses that were demolished in the 1960's and which the Garden Friends have for some years maintained for the Parish Council and Bradford Council. We had been having problems in wet weather with the slippery nature of the stone paving causing accidents. The "crazy" paving also required frequent

weeding which gets a bit wearing on the hands and knees and is very time consuming!

So we've made some changes including putting down a safer, more attractive and easier maintenance surface whilst at the same time making the garden better for disabled access. We also weeded out a few shrubs that had got old and very woody and, in their stead, have introduced new planting.

The great community nature of Addingham has made this possible: The Beer Festival and The Civic Society very generously gave us grants for the materials and hire plant, volunteers from the Addingham Allotments and Gardens Society helped us with the labouring, the Parish Council helped us with approvals for the changes from Bradford Council and Cllr Michael Flesher agreed to take away the substantial volume of stone that we had to lift, together with those who took stone away to use for themselves!

The photographs show the work in action and the fruits of our labours which we hope make the garden a great place to come and sit in and enjoy.

We find our work very rewarding and we are always looking for new or returning volunteers to help us maintain the village gardens so if you want to know more about us and what we do please contact us at fkwaltonaddingham@gmail.com

Addingham Scout Group

Addingham Scout Group have had another busy year of fun and adventure for children and young people in and around the village, from camping to sailing, visits to fire stations and castles along with helping the Addingham Environment Group with the spring clean and balsam bashing by the river! All in all, we deliver a great programme of activities all year round for kids aged between 6-18!

This August, 43 youngsters and 8 adults spent a week at the Kandersteg International Scout Centre in Switzerland, where they mixed with scouts from countries all over the world including Germany, Sweden, Denmark, Portugal, Israel and the USA, and took part in fantastic activities like hiking in the Alps, mountain tubing and swimming in thermal pools. We even had a day trip to Italy where the group rode the second longest zip line in Europe, followed by a visit to a local pizzeria!

Scouts offers lots of opportunities for children across different age groups: Beavers, Cubs, Scouts and Explorers but also plenty of opportunities to our adult volunteers.

For how you can help (as much or as little as you like!) or how your family can join see the Groups page for our details! **Paul Jennings, Addingham Scouts**

Giving your kids adventures, since 1935

Addingham Rainbows and Addingham Brownies

First Addingham Rainbows are a youth group for girls aged 4-6. As part of the wider brownie, guiding and scouting association our focus in these early years is giving the girls a chance to express themselves and learn the joy of being part

of a group. We meet Mondays at 17:15 in the village making crafts, playing games and having fun. There's a themed badge to collect each term giving the girls a wide range of activities both in group and at home. And yes, we have our own easy wash uniform especially designed for play!

www.girlguiding.org.uk/what-we-do/rainbows/ We'd love to hear from you.

Leaders: Eleanor and Emma

Addingham Brownies meet on Mondays 15.15-18.45pm at Addingham Methodist Hall. We're for girls aged 7 to 10 years. We enjoy a wide range of activities from crafts and games to learning practical skills such as first aid, team-building and cooking to outdoor adventures. We also join other village groups such as the Environment Group on projects around the village. Why not come and join us – we've some spaces available!

Leaders: Phoebe Kidd and Stefanie Whitaker

Addingham Bowling Club

Addingham Vets B team doubles win the Ellis Shield in the Worth Valley competition! It is with great pleasure that we can inform you that after a hard fought final against Craven C we emerged victorious! Finalist partnerships were John Ford & John Cobb, Martyn Brunger & Joe Ginty and Jessica Isherwood & Val Molloy. Congratulations to captain David Marsden and all players who have contributed to this win in earlier rounds.

Addingham Allotments & Gardens Association (AAGA)

Stewart Taylor writes: Our annual Village Show, always the focal point of our events calendar, was held in August and what a fabulous event it was! In the weeks leading up to the Show we put out a challenge to our growers and crafters for 400 entries and we smashed it, with a grand total of 485 exhibits across the 63 classes, easily filling the available space in the Mem Hall, ranging from horticultural produce to handicrafts, baking, photography, flowers and floral art, dedicated children's classes, and even growing the longest runner bean!

All the exhibits were judged by invited experts in their various fields and, by their own admission, their work was not made at all easy by the high quality of entries on display, which really did show off the skill and craft that exists in our local community. It's difficult to pick out any one particular class, there were so many outstanding entries to admire, though **a special mention to the photography classes: 46 entries in total, and each individual entry mentioned detailed, constructive feedback from our local expert and judge, John Fontana. Now that's what I call added value!**

At the closing ceremony the prize winners were awarded their trophies by Bill Preston, a life member and former chair and president of our Association.

I'll leave the last word to our Show Secretary, Peter Cooke, who very quietly and unassumingly makes it all happen: **'This is our third annual Show we've staged since regrouping post Covid and without doubt the best one yet.** Our entries were over 50% up on last year, the exhibits were of outstanding quality and I can't thank our local community enough for supporting this traditional village event. My sincere thanks also to the judges, exhibitors, local business sponsors and our behind-the-scenes volunteers who worked so hard to ensure everyone had a memorable day'.

Climate Action Addingham

Rick Battarbee writes

It's been a busy year, as always!

In **Waste Week (March)** we organised a Jumble Trail, highlighting the importance of re-using things rather than throwing them away. Our next one will be in May 2027.

In **Wildlife Week (June)** we launched our new Moorside Connections Walk. It was also one of our contributions to Bradford City of Culture 2025.

In **Water Week (July)** we hand-delivered a leaflet about using water wisely to every house in the village. It was designed jointly with and paid for by Yorkshire Water.

And in **Zero Carbon Week (September)** we also hand-delivered a leaflet, on how to reduce our carbon footprint, to every house. It was designed by local resident Henry Makin.

Now we are looking forward to closing off the year with our annual village meeting:

“How green is our village 2025”

Saturday 15th November in the Memorial Hall, 2 – 5.30 pm

It's an opportunity for everyone to come together from across the village and talk about their green activities. There will be displays, short presentations and two talks.

The first will be by Kath Clark from the Bradford Council Sustainability Team. She will talk about the **Bradford Climate Action plan**. We have asked her to explain what the plan means for us, what help the Council can provide to local communities such as ours

and how we can all work together towards the common goal of reducing our environmental footprint and protecting nature in our region. The second talk, by Alex Evans will be on **“Climate Conversations”**. Alex will argue that we don't talk about climate change to our friends and neighbours as much as we should. He believes such conversations can be very powerful in helping us all adopt the environmentally-friendly new technologies and life-styles that are needed to reach **net zero**. But we do need to be trained!

That should lead us nicely into the final discussion to round off the day. Please come along. Tea and coffee with copious amounts of cake will be available. For more details on the day and CAA in general, visit our website <https://www.climateactionaddingham.info/>

Cricket Club

Peter Etchells writes: **Addingham Cricket Club – 2025 history makers!**

Wow!! 3rd August 2025 will go down as a defining day for our club as Addingham won the Waddilove Cup for the first time in the club's history by beating 2024 winners Horsforth Hall Park by 17 runs in a well-contested final held at Ilkley Cricket Club. There were great contributions from across the team with Addingham's Nick Farrell being named Man of the Match

The day was always going to be special as we have to go back to 1987 and 1988 for our only previous appearances, as beaten finalists mind, in the league's premier cup competition. There was a real belief that this year's final was going to be different, having progressed through after a very close, intense semi-final against Saltaire CC.

Many villagers that follow us have noted over the past few seasons we've put together a very strong and talented team, which saw the side promoted to Airedale Wharfedale Senior Cricket League Premier Division this season after winning the first division title in style the previous year.

It is a team in the true sense of the word, moulded and led by the captain Rick Atkins, where every player counts and contributes.

They are friends bonded by the desire and love of playing for Addingham CC.

As many will know we have a strong link with New Zealand in terms of cricket, however our overseas contingent is enhanced with players who have come through from our junior ranks and local lads who have played the vast majority of their cricket for Addingham. We are a relatively small club in terms of the league however, we regularly "punch above our weight" and have attracted a lot of praise for how we conduct ourselves as club. **The success on the field is fantastic. However, the success is also down to the hard work and dedication of many who give up their time to ensure that we have a club and clubhouse we and the village can be proud of.** This extends to supporters who come down to the ground and also travel to our away matches. We are also indebted to the businesses and individuals that support us through sponsorship and advertising and to the Parish Council for their invaluable and continued help.

**Addingham 2025 –
a year of culture shared!**

November & December 2025

BRADFORD 2025
UK City of Culture

Addingham Gala returned once more in early July, in a heatwave!

After Covid and the success of the Jubilee and Coronation weekend celebrations the Gala committee has been determined to continue to put on a **weekend event for the local community** and to attract visitors from further afield. And what a success this year's Gala has been!

We keep costs down as much as we can. Under 18s are free for the whole weekend, with adults only paying up to £10 for a weekend pass. To put this into perspective, **the weekend costs approximately £20,000 to put on.** This covers insurance, licencing, kit hire,

advertising and musical acts. Once again, many thanks to Addingham Parish Council for paying for the road closure for the Parade and contributing towards event costs including purchasing two new marquees.

Music, quality food stalls and The Swan's bar were up and running on Friday with Charlie Aky our headliner. Saturday saw the procession head down Main Street to the Football Field, followed by prize giving and the time honoured tradition of this year's Gala King and Queen (Aaron Flesher and Lily Bui) opening the festivities.

The hot weather meant we couldn't safely host the dog show this year but plenty of gala stalls, games and music meant the fun continued. Barnoldswick Brass Band and the Addingham Singers performed throughout the afternoon with **the evening coming alive to the sounds of our headliners Soul Sensations.**

An amazing weekend, with memorable weather and an enthusiastic, dedicated band of volunteers keeping the show on the road!

Help is always welcome so why not volunteer at next year's gala. Or if you have a stall or activity that would entertain us all DO get in touch! Richard Hunter Rowe – Gala chair 07876 478380 richard.hunterrowe@gmail.com

Festive and Food Highlights

The Lothersdale Agricultural Group's Tractor Run, a treasured new village tradition where villagers gather down Main Street to watch over 100 festively illuminated tractors parade through the village in support of charity. Our village pubs The Swan, The Fleece, the Lord Addingham and The Craven Heifer all provide ideal vantage points for this noisy, fun, colourful spectacle!

SUNDAY 21ST DECEMBER 4TH c. 17.00

Addingham Women's Institute are holding a **Christmas Party for WI members on Tuesday 9th December 7.00pm** at the Memorial Hall. They also have a Members Christmas trip planned to the stunning Wentworth Woodhouse in December. Why not join them? For more details see the Groups pages.

The Lord Addingham Join us for Thali Indian curry nights this autumn: Fridays 14th Nov and 5th Dec £20 p.h. incl. first drink. Prebooking essential. Enjoy our much loved Pizzas and Burgers menu with the addition of Turkey across the Christmas period! We're **open for drinks on Christmas Day 11am to 4:30pm**. Our Ad has contact details.

Probus, Wulferhians and the Wednesday Club 'as was' all have seasonal meetings too, early in December. Wulferhians are sharing home cooked food together at St Peters Church Hall on Tues Dec 2nd whilst Probus are lunching at The Golf Club on Thurs Dec 4th, and the newly named Addingham Friendship Group are sharing

festive treats on Dec 15th. **See the Group pages for who to contact for more info.**

The Fleece Join us this Autumn/Winter for fantastic food, delicious drinks and super service. Our Festive Menu launches 26th November so if you're planning your Christmas get together with friends/family/colleagues **speak to us about offers for early bookings.** And Christmas Day bookings are now open too! We look forward to your call 01943830397

AVSC Social Club We're having our annual **Christmas party night on December 19th** from 7.30pm. All are welcome.

Chill Pill will be providing the dance music for our members and friends at the **ACS Christmas Party on the 11th December 19.30** Memorial Hall. Tickets on sale November 1st.

Upcoming Festive and Food Highlights

SWAN
LOGO
here

THE SWAN Throughout autumn take advantage of our Chippy Tuesday deal (two meals for £22) and Friday Night Steak Night. Offers run until our **festive menu launches Dec. 1st** celebrating our 10th Christmas here at the Swan! Good news too. We'll be open **Christmas Day 2025** (after our well-deserved break last year). Guests are invited to enjoy

a traditional Christmas lunch or share a pre-lunch pint or two, continuing the tradition of festive hospitality at the heart of the community. 01943 430003

THE ADDINGHAM SINGERS Annual Carols on the Decks Bring the whole family to join us singing festive tunes and Christmas carols with mulled wine and mince pies from 6pm at The Swan Mon Dec. 22nd

JOYFUL DELI We've a fabulous winter menu served daily (closed Tues) at breakfast and lunch with some **delicious warm-you-up favourites**. Our special festive sandwich will be available soon together with an **excellent festive set menu** available for Christmas party bookings. Addingham Methodist Church

Dear Friends, Autumn is a special time where the colours of nature become more vibrant and intense, the temperature drops, and the nights draw in. Fires are lit to chase away the cold and the bounty of harvest is celebrated during this season. In the church, we thank God for all that has been provided for our health and well-being with special services and events. It's time to celebrate!

We will have recently celebrated our Harvest Festival collecting much needed items for Keighley Salvation Army and Women's Aid groups. Thankyou to all who contributed. In November we hope to see you at the Village Remembrance Day ceremony and then the annual Christmas Light Switch-On!

We then invite you to our **Christmas Cracker Coffee morning Saturday 6th December from 10:00-11:30am** in our church hall. Proceeds and donations will be shared with local charities. Come and have a bit of fun as we all prepare in various ways for celebrating Christmas.

Our Methodist church premises is on the market but until sold all our regular activities continue. We plan to remain in the village, continuing as an active member of Addingham Churches Together (ACT). Like our banner outside on the church railings says, "Our home may be going to change . . . but our presence in Addingham will continue."

Many thanks for all the continued support we have received. We continue to 'walk by faith rather than by sight,' recognising that there are many unknowns in life. We are grateful and uplifted by God's love and grace that surrounds us and calls us to continue walking together into a new future of the life of the church.

Every blessing, ~ Rev. Shannon

Catholic Church

Our Lady and English Martyrs Church, Addingham is now served from our Catholic church in Burley in Wharfedale. Mass is celebrated in Addingham most Fridays at 10.00am and also we hold special events throughout the year such as our Advent Carol Service and Stations of the Cross during Lent. Best wishes to you all.

St Peter's Addingham

Children's & Family Events (C.A.F.E)

The family of St. Peter's is from a few weeks old to 90+ and there's a place for you and your family too!

Children's Church: Every Sunday in term time at 10am, Children's Church is a fun way to learn more about God, with a different theme each week – we meet in church, then share a session in the hall where we learn, craft, play, sing and pray! Come and see!

Messy Church: It's a different kind of church, family friendly and fun, with stories, songs, games and activities, sometimes indoors, sometimes out, and shared food too. Everyone is always welcome! 16th Nov at 4pm

Primary School for Harvest Celebrations in October as well enjoying our annual **Family Service for Harvest**

Harvest: We're looking forward to welcoming Addingham

Christmas events: looking ahead, here are some of our family events

Sunday 14th December 4pm – Christingle Making & Candlelit Carols

– Christmas is coming, bringing light and hope in the darkness – just turn up to join in

Christmas Crib Service – a lovely service especially for families, all about the birth of Jesus : you can come dressed as a Nativity character!

Christmas Eve Weds 24 Dec 4pm

Keep in touch using our website and Facebook pages **C.A.F.E** and **St. Peter's**. See **Group contacts** for details!

St Peter's Addingham

Rector Mark Cannon writes: **Church Makeover?**

In the next few months we hope to put out some new plans for the church interior, and we want feedback from the village. It is never easy to make changes to a building which many people remember as a place of weddings, funerals and christenings, but we have known for some time that the church is not all that accessible for those with mobility issues, and we want to make the church easier to enter, and to stay in. Part of this involves opening up spaces around the

doors and in one aisle. **We want a more flexible space** and the removal of some of the pews would allow us to make room for wheelchairs, walkers and pushchairs etc. It would also give us more facilities for meetings and activities.

Our proposals are going to be published soon, and we will also hold a formal public consultation. It would be good to hear what you think. The church council believes that a modest re-order would bring many benefits, and we'd welcome your views.

And we haven't been thinking just about the building, we have also been looking at how to welcome visitors when they step into our church. How welcome does a visitor feel? We know we can do some bits well, but we know also that others have been let down. Can we be a church where you feel a sense of community and fellowship? We might be able to alter the building but changing hearts is another challenge altogether.

See the contact pages for how to get in touch with me!

Addingham Environment Group

Rick Battarbee writes

We're almost at the end of our ninth year, so 2026 will be our tenth anniversary year! We're marking it with a concert by the Skipton Brass Band who have kindly offered to play for us to raise money for an environmental project in the village. You are cordially invited!

Addingham Environment Group 10th Anniversary Concert Skipton Brass Band - Saturday 21st March 2026

Our 10th Anniversary provides us with an opportunity to reflect on our successes and failures so far in tackling climate change and wildlife loss at the village scale.

We'll be putting together our story over the next few months documenting our work: organising jumble trails, litter-picking green spaces, running a pop-up stall for refills, planting trees and hedges, creating wildflower mini-meadows, keeping an eye on our becks, creating wildlife ponds, surveying homes with our thermal imaging camera, controlling invasive species and monitoring our bird, bee, butterfly and (from this year) bat populations.

More than anything we're proud of our **AEG community, now over 350 strong, with almost 100 actively involved in village projects**, many coming out on Saturday mornings all year round, restoring, protecting, monitoring and managing our green and blue spaces.

There are hard yards to come. **The next ten years will be crucial in determining nationally whether we can achieve "net zero" by 2050.** But it's good to see that through the auspices of Climate Action

Addingham (CAA) firmly supported by the Parish Council and the Civic Society, many of our village community groups are now signed up to the need to live more sustainably and that over 90% of our residents believe that if we all play our part we can make a difference. **We have to keep going, there's no planet B!**

Addingham Village Pantomime

Your first diary date for 2026! Oh no it isn't... OH Yes IT IS!!

The Addingham Village Pantomime is back again in February half term. Aladdin and his Marvellous Lamp will run from 13th to 21st Feb 2026 and follows the sell-out production run earlier this year of Beauty & the Beast, which raised an amazing £1,200 for Yorkshire Air Ambulance and Youth in Mind!.

Want to perform, be back stage or just support us? See group contacts pages for info!

Going Electric

Thinking about getting an EV but nowhere to charge it?

CoCharger is a **Community Charging App.** that enables **Hosts**, people who have their own home charger, to 'rent' their charger out when it isn't in use (which is most of the time!). All you need to do as an EV owner with the charger, is sign up as a **Chargee** and look for your nearest neighbourhood Host. The app handles all the payments, communication and bookings between you. Doesn't owning an EV now appear a more viable option?

There are currently 2 Hosts in Addingham (and I happen to be one!)

My charger has bags of free time for others to use at a very reasonable rate and I am planning to recruit others in a

similar position to me to give a wider spread around the village.

Existing EV Owners: is your EV charger idle most of the time? Now imagine if it could make you a bit of cash...! The CoCharger App means you can make your EV charger available (for a fee) to others who don't have their own. You simply sign up as a Host on the app, you then set your own charging rate, add your bank details and then the app. handles everything else between you and **Chargees**.

If you would like to know more do give me a call, or simply download the **CoCharger** app. from the Google Play store or Apple App store. Let's enable more households to own an Electric Vehicle!

Addingham Christmas Market & Switch On

ADDINGHAM'S CHRISTMAS COUNTDOWN!

29.11.25 The last Saturday in November heralds the annual Addingham Christmas Market and village Lights Switch On organised by Totally Addingham and Addingham Parish Council.

Run by a dedicated group of local volunteers, the event transforms the Swan car park into a bustling marketplace filled with over 30 local businesses and groups offering handmade gifts, crafts and delicious treats. Not forgetting the annual BIG raffle raising funds for village events.

Visitors can enjoy flowing mulled wine and food whilst the festive spirit will ring out loud and clear with the Addingham Singers and Skipton Brass Band, and of course Father Christmas will be taking his last orders for deliveries on Christmas Eve. Then we all come together as a village to sing carols and celebrate our seasonal switch of Main Street's Christmas lights! Last call if you want a stall: tladdingham@gmail.com **SEE UPDATES on FB TotallyLocallyAddingham**
